

UG & PG STUDENTS' INDUCTION PROGRAMME: BUILDING BLOCKS – 2019-2020

I direct my attention to the individual to make him strong, to teach him that he himself is Divine. - Swami Vivekananda

With the blessings and support of the Management, the Principal of the institution Dr. R. Uma Rani as the Convenor and Dr. A.Selvalakshmi, Asst. Prof. of English as the Coordinator conducted the UG Students' Induction Programme from 17.06.2019 to 19.06.2019 and the PG Students' Induction Programme on 17.07.2019 at the level of institution. The programme was conducted to the new students of all disciplines and the class teachers were appointed as their mentors. It was scheduled in such a way that 19 faculty members as eminent lecturers stimulated different qualities, information and action amongst the new entrants through their Power Point Presentations.

The students were oriented regarding college vision and mission. They were briefed with history of the institution examination rules and grading system. They were introduced to certificate courses and activities of the college and its varied associations (NCC, NSS, YRC, RRC, SSL, etc.). The Students were permitted to express their views as feedback both oral and written and it was recorded for further action plan. As any other academic programme the programme came to a close by certificate distribution to the resource persons and best wishes for the participants to achieve their goals in the coming years. After the general briefings they were oriented in their respective departments of the programme, courses, mentoring, counseling etc.
