Action Taken Report on Feedback

Programme: B.Sc.,

Year of Revision: 2023- 2024

FEED BACK GIVEN	ACTION TAKEN
Students The syllabus may involve concepts that can help in gaining knowledge on the development of analytical thinking and geometric relationships.	The revamped syllabus has included two major papers Analytical Geometry (in two & three dimensions) and Integral Calculus which caters in enhancing spatial reasoning and problem-solving skills.
Alumni The syllabus can be incorporated with cross disciplinary courses which would greatly enhance the overall learning experience.	As per the suggestions non major elective papers are modified so that the theoretical concepts along with their real-life applications are included in the syllabus as skill enhancement courses.
Parents The students must be inculcated with the roots and origin of the notions pertaining to Mathematics which can motivate them to learn the subject with a great interest.	Skill Enhancement course titled History and Development of Indian Mathematics that is primarily based on the Indian Knowledge System has been introduced.
Subject Experts The syllabus for allied papers can be crafted in a way such that the curriculum supports and enhances the proficiency of students in their respective fields.	The Generic Elective courses are introduced for Computer Science, Statistics, Physics and Chemistry as allied papers with two practical hours and the syllabus has been tailored in a way such that those students can incorporate the concepts in their fields.

DEPARTMENT OF BOTANY

Action Taken Report

Programme: B.Sc., Botany

Year of Revision: 2023-24

Student	Continuous Plant Diversity courses will be easy to study.
Alumni	Owing to heaviness of the syllabi, a few higher end topics can be omitted.
Parents	Satisfactory with whatever is persisting.
Subject Experts / BOS nominee	(i) One example could serve sufficient while studying genera in Plant Diversity courses. (ii) The selection of genera in Theory courses could be made depending upon the availability of specimens for Practicals.
Action Taken	As a result of BOS 02.11.2023: ➤ SEC II (IKS): Traditional System of Plant Therapy course has been implemented. ➤ SEC III :Mushroom Cultivation course has been implemented. ➤ Elective III : Project and Viva Voce has been introduced instead of theory course Genetic Engineering. As a result of BOS 23.04.2024: ➤ Core Paper V: Plant Diversity III – Bryophytes and Pteridophytes : The genus <i>Marchantia</i> was selected for Unit I. In Unit V, topics namely phyton theory and enation theory were omitted. ➤ Skill Enhancement Course IV : Entrepreneurial Opportunities in Botany: In Unit II-solvent, organic acids and enzymes were omitted. In Unit IV – gums, resins and latex were omitted. ➤ Skill Enhancement Course V: Herbal Technology : In Unit V-storage and quality control for use in herbal formulation were omitted.

Students Professional skill-oriented courses and inter disciplinary courses can be included in the curriculum	The first-year papers were modified to a greater extent by adding various concepts that greatly help the students to understand the practical applications of the topics included in the curriculum. Further, Game theory and Strategy is introduced as Extra Disciplinary Course for students' from other majors.
Alumni The syllabus can be updated with recent developments in the field and advanced computational courses to be introduced	Every new aspect of the syllabus has been framed by including the concepts that are widely applied in the novel advancements pertaining to that topic.
Parents Inviting professionals and researchers to lectures and workshops, can provide the students with insights into real-world applications and networking opportunities.	The department has organized workshops focusing on concepts in Mathematics, AI Tools, along with a seminar on Quantum Theory Mathematics. These initiatives enhanced the knowledge on networking opportunities and bridge the gap between academic theory and industry practice.
Subject Experts The contents of the syllabus must be in accordance with the curriculum standards set by an Higher Education Council.	The syllabus was revamped in accordance with TANSCHHE while aligning with industry needs thereby enhancing the students' employability opportunities.
